## ACCUSES WIFE AND DAUGHTER IN MAN'S DEATH

Coroner's Jury Declares Family Guilty in Kentucky Shooting Affray.

BARDSTOWN, Ky., Aug. 27.—Mrs. Beulah Vance, thirty years old, and her fourteen-year-old daughter, Allie Nolan Vance, stand accused by a coroner's jury of being parties to the assassination of the husband and father, Charles A. Vance, forty years old, last Friday night.

The jury, composed mostly of near neighbors and friends of the Vance family, found that Vance had been murdered with a shotgun found in his home, then named the widow and daughter as having had a part in the crime.

It was proved that a shot taken from the left lung of the dead man was of the same size as a shot found on a table at the Vance home the morning after the murder.

The widow's and daughter's evidence was of a perfunctory nature.

Vance was murdered last Friday night while he was asleep. The assassin pushed a shotgun through the window of the bedroom on the lower

floor. Mrs. Vance asserted she was asleep beside her husband when he was shot and the roar of the gun awakened her. Bloodhounds trailed most of last Saturday, always doubling back to the Vance home after running around the yard.

Then stories began to leak out about alleged cruelties practiced upon his family by Vance. A day or two before he was killed, it is stated, he had struck his young daughter.

When the will was read late this week it was found the widow and daughter had been left the entire estate worth about \$100,000, including a big farm in Nelson county.

## BUICK PLANS TO CONDUCT SALESMANSHIP SCHOOL

Under the auspices of the Washington Automotive Trade Association, Chamberlin, an authority on salesmanship, will conduct a school for automobile salesmen and deliver lectures on salesmanship in the Buick Building, at Fourteenth and L streets northwest, Monday, Tuesday, Wednesday and Thursday evening at 8 o'clock, and Friday morning at 10 o'clock.

Needless to say, Mr. Chamberlin's instruction will enable local automobile salesmen to profit by his extensive experience in marketing motor cars. The school will be open to members of the Washington Automotive Trade Association and their employees.
